FAREWELL TO RETIRING MEMBERS - *Contd.*

***SHRI T.K. RANGARAJAN:** Our country has benefitted to a great extent due to the debates that had taken place during the last 10 years. Two Members from our party are also retiring. Comrade Tapan Sen had tried to bring labour issues to this House as much as possible. As Members of Rajya Sabha, we have to speak about the issues and people of our State. On many instances, we tend to be emotional; because we have to discuss the issue of States. I request both the Central Government and the State Governments to pay attention to issues of the people of the States. We regret that we could not express ourselves satisfactorily. We could not voice our issues completely. My party is always in favour of the smooth functioning of the House. Our retiring Deputy Chairman, has been remarkable. He had given me various suggestions at the personal level. Government should pay proper attention to certain issues of the States such as the Cauvery Issue, NEET issue, closure of Sterlite Industry etc. I express my best
